

Тетрадь поможет развить внимание, память, мышление. Тетрадь предназначена для детей старшего дошкольного возраста.

На каждой странице 4 задания:

1) Найти закономерность расположения фигур в 9-и клеточках и дорисовать недостающие.

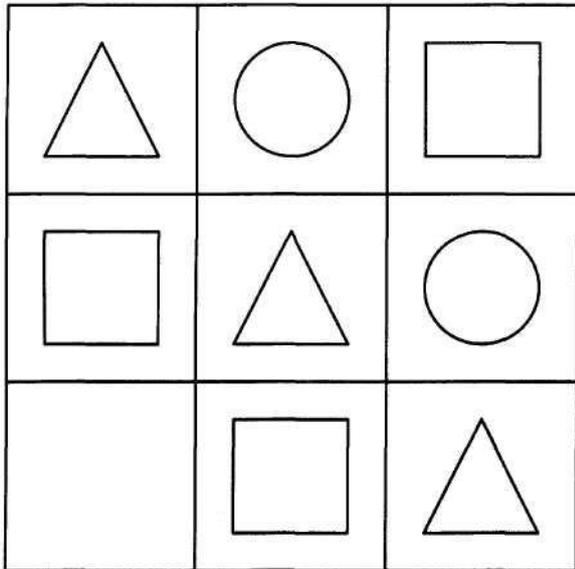

2) Назови лишний предмет, раскрась предметы, которые подходят друг другу.

3) Продолжи ряд фигур в такой же последовательности.

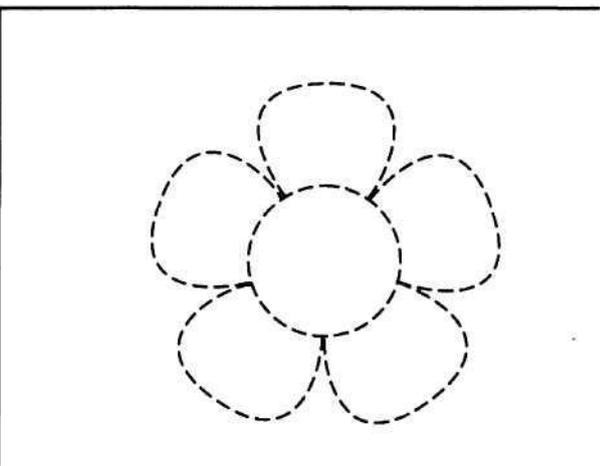

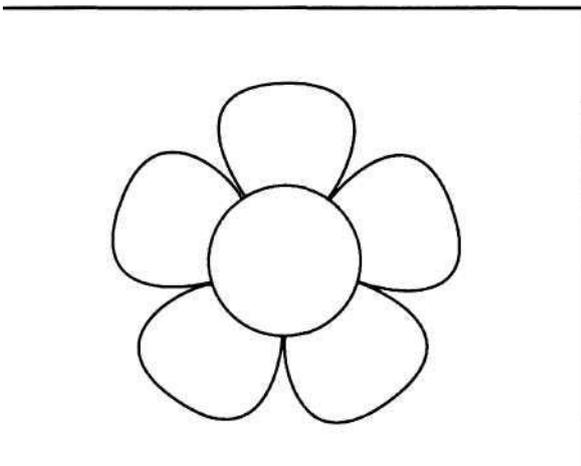

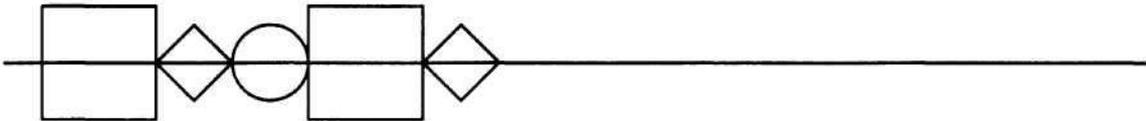

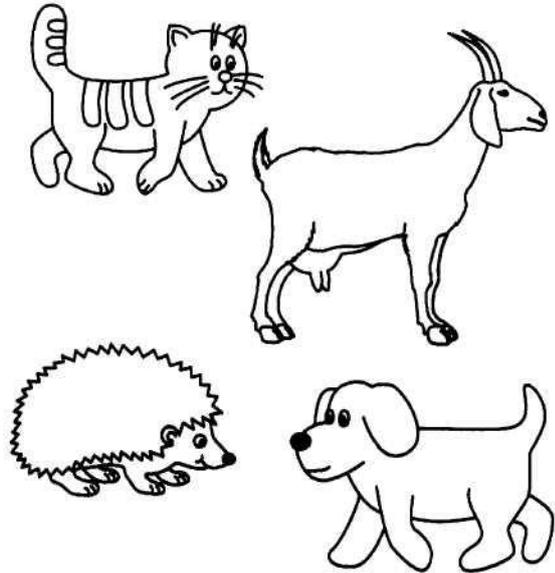

4) Постарайся в точности передать изображение фигуры.

- 1) Найти закономерность расположения фигур в 9-и клеточках и дорисовать недостающие. (Рассуждайте, какие фигуры есть в каждом ряду, какой фигуры нет в ряду)
- 2) Назови лишний предмет, раскрась предметы, которые подходят друг другу. (Пусть ребенок объяснит свой выбор)
- 3) Продолжи ряд фигур в такой же последовательности. (Проанализируйте, какая первая фигура, какая следующая, как они чередуются).
- 4) Постарайся в точности передать изображение фигуры. (В первое время поставьте опорные точки для ориентира ребенка).
